Online Activities at www.McLeodDocInfo.org:

McLeod Health has developed an online continuing medical education library. The intent is to assure that practicing physicians meet their goals for performance improvement and professional development. The online CME library contains previously recorded live activities that were planned by the McLeod Health CME office. McLeod Health designates each educational activity for AMA PRA Category 1 Credit(s)™. Subjects include:

- Current Trends in Lower Extremity Revascularization
- Neuroendovascular Therapies: Past, Present and Future
- Palliative Care • Service Excellence

Family Activities:

• McLeod Health & Fitness Center

The McLeod Health & Fitness Center is the only medically-based wellness center in the greater Florence area. The Center is home to an array of professionally-managed programs to help people of all ages and fitness levels improve their overall health and quality of life. Amenities include: cardio, weight training and circuit training; gymnasium; racquetball; six-lane multipurpose pool; warm water exercise pool; indoor and outdoor tracks; more than 100 group fitness classes a week in Zumba, yoga, pilates, cycling and more; personal training and group personal training; full locker room facilities; steam room; whirlpools and saunas; child care and activity center for kids; CPR trained and certified staff; pro shop; Happy Heart Grill. For more information on the McLeod Health & Fitness Center and the services they provide, call 777-3000.

• Third Thursdays with Kohl’s

Safe Kids Florence, led by McLeod Health, offers a child safety seat check the third Thursday of each month, 4:00 - 6:00 p.m., in the Kohl’s parking lot in Florence. For more information about this event, or questions regarding child safety seats, please call McLeod Safe Kids at 777 - 5021.
