

McLeod Health

The Choice for Medical Excellence

McLeod Health's Continuing Medical Education Program would like to ask for your feedback. Annually, physicians will be asked to rate certain aspects of the CME program and offer suggestions to the CME Coordinator. As a way to thank you for your response, each physician who completes the survey will be placed in a drawing to receive a gift certificate. Please complete the survey by Monday, February 13, 2012 and return to the CME Coordinator. The survey is also available online at www.McLeodDocInfo.org.

Full Name:

Medical Specialty:

Years in Practice:
