## McLeod Health Clarendon

### McLeod Health Clarendon Delivers the Finest in Healthcare

McLeod Health Clarendon, formerly Clarendon Health System, dedicates itself to creating lasting relationships with its patients, while providing Clarendon County and surrounding communities with the finest in healthcare services.

As part of McLeod Health, patients receive direct access to specialized services, improved technology, an outstanding physician network and enhanced facilities.

McLeod Health Clarendon has 81 acute-care beds along with recently renovated operating rooms, a 24-hour emergency department, same-day surgery, and a Health & Fitness Center.
