

Every Donation Counts

- Helps buy art supplies to help children deal with emotions and feelings through art therapy.

\$5 / Month

- Helps buy specialized pacifiers to comfort babies in our NICU.

\$10 / Month

- Helps provide protective eye covers for babies with jaundice undergoing phototherapy.

\$15 / Month

- Helps provide asthma patients nebulizers for inhaled medication during breathing difficulties.

\$20 / Month

- Allows staff to provide specialized emergency blankets for children in shock or hypothermia.

\$50 / Month

- Gives families access to special wagons and wheelchairs that allow for safe and fun trips within the hospital.

\$100 / Month

McLeod

Children's Hospital

The McLeod Foundation will use your donation to help treat the whole child, provide families with services not covered by insurance and support the excellent services and healthcare provide by our Children's Hospital.
