Thank you for your interest in becoming a junior volunteer at McLeod Regional Medical Center. The Junior Volunteer Summer Program offers a unique opportunity for teen volunteers to share their gift of time and talents to benefit the lives of patients, families and staff at McLeod Regional Medical Center. We are proud of our eight-nine week summer program and the many experiences it offers. We ask that as a junior volunteer our students make a commitment to their volunteer duties and abide by all rules and guidelines that are given. We also ask that they constantly strive to exhibit a caring and compassionate attitude to all who come to McLeod for treatment, as well as, those they come in contact with while on site.
