Medical Center Dillon

Thank you for your interest in becoming a teen volunteer at McLeod Health. We are proud of our summer program and the many experiences it offers. We ask that as teen volunteers you make a commitment to your volunteer duties and abide by all rules. We also ask that you constantly strive to exhibit a caring and compassionate attitude to all who come to McLeod for treatment and with whom you come in contact. Please read carefully the following requirements for volunteering at McLeod this summer.

1. You must be 15 years old by May 6, 2022
2. You must have a "B" average in all of your courses in school. We will need a copy of your last report card for the year.
3. If accepted for this program, you will receive a tuberculin screening (Blood test at no charge to you). Enclosed is your tuberculin screening form which must be completed and signed by you and one of your parents. Signing the screening form gives approval for the tuberculin screening. Please return these forms along with a copy of your immunization record.
4. Submit a letter of recommendation from your guidance counselor, pastor or teacher, the enclosed reference sheet indicating where you want to volunteer, and a one-page essay on the reasons you want to volunteer at McLeod this summer.
5. The uniform consists of white or khaki long pants or khaki skirt, and white shirt. The shirt will be provided by the hospital at a \$15 fee. Please bring \$15.00 to purchase your white polo shirt.
6. Due to the federal requirement issued by CMS, all McLeod Health clinical, non-clinical, new hires, volunteers, students, administrative, vendors and contract workers are required to be fully vaccinated. If you are fully vaccinated, Occupational Health will need a copy of your documentation; otherwise, you may receive your vaccination at McLeod Occupational Health. Please contact us with any questions.
7. All information must be submitted no later than **Friday, May 6, 2022 at 4:00 PM**. We are limiting the number of volunteers, so this deadline will be strictly enforced.

We look forward to hearing from you soon. If you have questions regarding the application process, please feel free to call me at 487-1293.

Sincerely,

Candice Tyler

I hereby give McLeod Employee Health Services my permission to perform a tuberculin assessment on my son/daughter consisting of:

TB Blood Test and/or Chest X-ray, if indicated

A TB blood test will be given free of charge. The student must go McLeod Medical Center Dillon to be tested. Screenings will be on Friday, May 13 and Friday, May 20 between 7am and 9am. The test results may take 7-10 days.

If the results of the blood test are positive, I understand that my son/daughter will be asked to have a chest x-ray at McLeod Medical Center Dillon and any follow-up that is medically indicated by the chest x-ray results. There will be no charge for these services, if required. Upon completion of the TB assessment, Employee Health Services will issue a medical clearance, and my son/daughter will be allowed to begin his/her volunteer service.
