Spirit of Hospice

From its beginning in 1979, McLeod Hospice has depended on the commitment of community members. It has been through their foresight and determination that our Hospice program has evolved. Today, the growth of our program has been a direct result of their continued support to quality end of life care.

The quality of our program does not rest with any one individual. Instead there are many individuals and groups who give generously of themselves. Each one important, but all united by a single goal: their commitment to compassionate hospice care.

There are those, however, who have gone the extra mile and who have continually been a faithful supporter of McLeod Hospice. It is with this in mind that we created the Spirit of Hospice award.

For your loyal dedication and support, we thank you. As we move forward, we will continue with your help to carry out the mission of McLeod Hospice.

McLeod Health
Foundation

The McLeod Foundation, in conjunction with McLeod Hospice, has held the Annual "A Light for Someone You Love" Tree Lighting Ceremony for 40 years. This special evening is both a time of remembrance and the annual fundraising event that sustains the McLeod Hospice program in the coming year.

Donors who support McLeod Hospice assist staff and volunteers in providing a full range of services to all who need them. They have also helped build the McLeod Hospice House, create the McLeod Hospice Sensory Garden and entirely fund the expansion to the Hospice House.

All fundraising efforts for McLeod Hospice are managed by the McLeod Foundation. To learn more, please visit www.mcleodfoundation.org.

Legacy Giving

If you have been touched by the compassionate care provided by McLeod Hospice and would like to help ensure the care continues for families in future generations, you may want to consider a legacy gift to benefit McLeod Hospice.

Thoughtful estate planning allows an individual to take care of themselves, their loved ones and the causes that are important to them. With a little planning, today's generous donors can continue to make a difference beyond their lifetime. To learn more, please contact Elizabeth Jones at the McLeod Foundation at 843-777-2694 or visit the website, www.mcleodhealthlegacy.org.

Hospice Volunteers

Volunteers are the very heart of Hospice, a very dedicated group of people who, each day, give unselfishly of themselves to our patients, caregivers and families. Please join us in taking this opportunity to thank them and express our love and gratitude.

To find out more about becoming a McLeod Hospice Volunteer, please call (843) 777-2564 or (843) 777-2994.

Every effort has been made to ensure accuracy in this listing of lights; however, due to a printing deadline, all names included were received as of December 2, 2025. If we were unable to include your gift in this program, it will be included in the on-line version at www.mcleodfoundation.org.

Your light will continue to shine through the hands of the staff and volunteers as they provide that special kind of caring known as Hospice.
